Hi Steve:

Just wondering if you are in the office today? I wanted to catch up with you on this matter before you head out to Denver next week.

Best

Pankaj

Attached is the latest draft. I left in the most of the track changes and comments. If you are both good with the comments and changes, I will accept them and keep the document. This way we'll have a clean document to work from for the next round of changes,

Thanks,
